- Communicable Disease Management
- Hospital Discharge Management

Our Focus:
- Elders (55 and over)
- Homebound
- Chronically ill
- Patients discharged from a hospital
- Frequent Emergency Room (ER) users

Reporting a Disease or Condition

All Oregon physicians, other health care providers and laboratorians are required by law to report certain diseases and conditions to the patient’s local health department (ORS Chapter 433). Some cases are subject to restrictions on school attendance, day care attendance, patient care, and food handling.

- During regular business hours, Monday through Friday 7:30 AM – 4:00 PM, call (541) 240-8417
- For diseases or conditions that require immediate reporting when the office is closed call Umatilla County Public Health at (541) 966-3651
- Learn what to report by visiting the [Oregon Health Authority’s Communicable Disease website](https://www.oregon.gov/oha/CDR/Pages/default.aspx)
- Learn how to report a disease or condition by visiting the [Oregon Health Authority’s Reporting Page](https://www.oregon.gov/oha/CDR/Pages/default.aspx)
