DESCRIPTION  Job Summary

The Dental Director is responsible for leadership and overall management of the Dental Department at Yellowhawk and reports directly to the CEO. All duties and responsibilities will be performed in accordance with the Yellowhawk Mission and Vision statements.

Essential Job Functions:
1. The Dental Director will directly supervise all staff dentists, dental therapists, dental hygienists, and the Dental Assistant Supervisor (DAS). They are responsible for accessing and coaching staff in all aspects of quality improvement. Administrative time will be 25% of the regular work week with and the remaining 75% clinical patient care.

2. As a member of the Executive Management Team (EMT), the Director will help create and execute Strategic Plans, Annual Work Plans, and any directives ordered by the Health Commission. Additional projects will be as assigned as part of this group.

3. The Director’s scope of clinical practice will be requested based on education and experience, which will then be privileged by the CEO and Health Commission. Ideally, the Dental Director will be proficient in molar root canals, have a minimal sedation permit, and ability to perform surgical extractions of impacted third molars. Proficiency in all removable and fixed prosthodontics will be essential. The skill to be able to work well with pediatric patients is also essential. Proficiency in placing and restoring of dental implants.

4. Responsible for semi-annual peer reviews and annual performance evaluations for those they directly supervise. Along with assistance from the DAS the Director will also be responsible for completing annual performance evaluations off all the dental assistants. The Director will also be responsible for proposing, completing, submitting, and presenting a Quality Improvement Project specific to the department semi-annually.

5. Responsible to update and maintaining departmental polices and assure compliance by all staff. The Director will also be responsible for accountability and coaching of staff they directly supervise and indirectly for all dental assistants. Maintenance of accreditation and compliance with the Accreditation Association for Ambulatory Health Care, Inc (AAAHC) will be the primary responsibility of the Director.

6. Required to attend and participate in any meetings assigned by the CEO. The Director will also be responsible for promoting excellent communication within the department, which will include at minimum a regular monthly all dental staff meeting, safety meeting, and regular communications with staff. They will also assure that the department is following all infection control guidelines and maintains OSHA compliance.

7. Responsible for overall management of outside referrals. They will access all outside referral requests by staff dentists to see if the patient can be treated in the department. If needed treatment is beyond the scope of care of the department, they will be responsible for collaborating with competent specialists that can provide needed treatment to the patient in a timely fashion.

8. Responsible for preparing the annual dental department budget for review and approval and then executing the budget within cost constraints.

9. Collaborate with Human Resources in recruitment of dental staff, participating in interviews, and make recommendations on applicant’s suitability for employment at Yellowhawk.

**Physical Demands:**

Requires prolonged sitting, some bending, stooping and stretching. Requires eye-hand coordination and manual dexterity sufficient to operate a keyboard, photocopier, telephone, calculator and other office equipment. Requires normal range of hearing and eyesight to record, prepare and communicate appropriate reports. Most work is performed in the Yellowhawk
Dental Department. Director will have exposure to communicable diseases and other conditions on a regular basis.
