

# 2020-2022 Yellowhawk Strategic Plan Summary

<b>MISSION</b>	Our Tribal community achieves optimal health through a culture of wellness.
<b>VISION</b>	Empower our Tribal Community with opportunities to learn and experience healthy lifestyles.
<b>CORE VALUES</b>	Tamanwit    Balance    Compassion    Integrity    Equity    Respect    Excellence

<b>PRIORITIES</b>	<b>Strengthening Relationships</b>	<b>Healthy Community</b>	<b>Workforce Investment</b>	<b>Sovereign Sustainability</b>	<b>Quality Improvement</b>
<b>STRATEGIES</b>	Promote and strengthen relationships within the Tribal community and our internal relationships with our Yellowhawk employees, together we are successful at understanding and supporting the vision and mission of Yellowhawk and building a Healthy Community, encouraging healthy lifestyle choices for our patients and community.	Provide culturally grounded and trauma informed programs that empower our Tribal Community to choose healthy lifestyles for themselves and future generations	To employ a sustainable and diversified workforce that supports the long-term goals of Yellowhawk while preserving cultural community values.	We will take a multi-pronged approach to enhance long-term financial stability. All potential funding streams will be explored, cost containment will become standard practice, and technology will be used as a tool to improve efficiency as well as for the betterment of patient care.	Deliver excellent and efficient quality care to improve the overall health of our Tribal community.
