Yellowhawk Tribal Health Center

ORTHODONTICS PROGRAM

For Eligible Purchased Referred Care Patients

DETAILS OF THIS PROGRAM INCLUDE:

Step 1 - Program Eligibility

- For Purchased Referred Care (PRC) patient's **only**.
- Open to all ages.
- Open to established patients with up to date dental care at Yellowhawk for the last two (2) years.
- Patients must have all cavities restored and have stable dental health (no new cavities).
- Patients must complete a letter of commitment.

Step 2 - Selection Process

- Patients will be evaluated by the Orthodontist at the orthodontist's office, during scheduled appointments between October and December.
- Ten patients, with greatest needs and best hygiene evaluations, will be selected by the end of December.
- Patients will be notified if selected.

Step 3 - Program Participants

- Patients will complete an Orthodontic treatment contract with Yellowhawk.
- Patients will be asked to sign a consent to take photographs for program outreach and treatment progress.
- Yellowhawk reserves the right to remove braces from participants in the event of non-compliance with scheduled appointments and/or hygiene instructions.
