

# Átawišamataš

**"I LOVE YOU ALL"**

## PROGRAM

*Utilizing the Johns Hopkins University Family Spirit Home Visiting curriculum, the Átawišamataš Programs offers services to pregnant persons, families, and guardians who have children 4 and under in the home. The Family Spirit Curriculum begins at 28 weeks gestation to four years of age.*

### WHO CAN ENROLL?

- Yellowhawk eligible patients that meet any of the following criteria:
  - Parent/families/guardians with children ages 4 years and under in their home
  - Patients with a confirmed pregnancy with any OB provider

### SERVICES OFFERED

- Help families have a healthy pregnancy
- Build a support network for families
- Make homes a safe place for families to live and play
  - Linking families to community services to address specific needs
- Encouragement of your child's growth and development
  - Parenting knowledge & skill building
  - Prepare children for early school success
- Assist with opportunities to continue education and develop job skills
- Future goal setting and creating plans to reach them
- Various other support services
